**CONSENT TO THE USE AND DISCLOSURE OF HEALTH INFORMATION
FOR TREATMENT, PAYMENT, OR HEALTHCARE OPERATIONS**

I understand that as part of healthcare, this organization originates and maintains health records describing my health history, symptoms, examination and test results, diagnosis, treatment, and any plans for future care of treatment.

I understand that the information serves as:

- A basis for planning my care and treatment.
- A means of communication among many professionals who contribute to my care.
- A source of information for applying my diagnosis and surgical information to my bill.
- A means by which a third-party payer can verify that service billed were actually provided.
- A tool for routine healthcare operations such as assessing care quality and reviewing the competence of healthcare professional.

I understand that I have the right:

- To object to the use of my health information for directory purposes.
- To request restrictions as to how my health information may be used or disclosed to carry out treatment, payment, or healthcare operations--and that the organization is not required to agree to the restrictions requested.
- To revoke this consent in writing, except to the extent that the organization has already taken action in reliance thereupon.

I request the following restrictions to the use of disclosure of the health information:
